National President
Theresa A. Kluchinski
Elected PFC President

The LPSCU is proud to announce that National President Theresa A. Kluchinski has been elected to the office of President of the Pennsylvania Fraternal Congress at its 98th Annual Meeting held October 25-27, 2009, at the Nemacolin Woodlands Resort in Farmington, Pennsylvania. Theresa’s installation and that of other newly-elected officers was conducted by Mary Jo Savidge, national secretary-treasurer of the LPSCU, during the banquet held on Monday, October 26.

Before the adjournment of the Annual Meeting on Tuesday, October 27, outgoing President Richard W. Toth, FLMI, FIC, of the William Penn Association, officially passed the PFC president’s gavel to newly-elected President Kluchinski.

Over the past 12 years, Theresa served on various committees of the PFC including Publicity, Program, Fundraising, Fraternal Communication, Credentials, Memorial Service, and Budget. She chaired the following committees: National Fraternal Congress of America State Merit, Bylaws, Membership, Projects, John Jordan Upchurch, Scholarship, and Banquet. Theresa held the offices of Second Vice-President in 2008 and First Vice President in 2009.

In October 2007, Theresa received the prestigious John Jordon Upchurch Award, which is a recognition by the PFC for distinguished and exemplary service to fraternality.

The Pennsylvania Fraternal Congress was organized in 1901 and is comprised of 62 fraternal benefit societies licensed to do business in the state. The combined membership totals 700,000 fraternalists. In addition to life insurance and annuity products, fraternal benefit societies provide their members with social, educational, spiritual, cultural, patriotic, scholarship, financial, and volunteer service opportunities and certain additional benefits.

The LPSCU congratulates President Theresa on this honor. We are proud to see her assume this distinguished office and we wish her much success during her term in this leadership role. (Additional photos on page 8.)

SECRETARY/TREASURER
Mary Jo Savidge, 71 South Washington Street,

POSTMASTER: Send address changes only to:
Zornicka, P.O. Box 282, Wilkes-Barre, PA 18701-0282.
Recently, I was reminded of a story that I had read many years ago regarding a unique experience devised by an elementary school teacher. This exercise was to encourage students not to fall into a defeatist attitude or approach to life, but rather, to help them grow in their self-belief and determination not to fail. I share this story with you, at the beginning of this New Year, so that its message can be a source of encouragement as we together face the unknown of these next 365 days.

One day, early in the school year, a fourth grade teacher distributed sheets of paper. She asked her students to write down all of the things they wished they could or wanted to do, but believed they couldn’t do. Each student went to work, writing down his/her thoughts and ideas: “I can’t hit the ball past second base.” “I can’t do long division with more than three numerals.” “I can’t get Debbie to like me.”

Even the teacher made a list: “I can’t get Dan’s mother to come for a teacher conference.” “I can’t get my daughter to put gas in the car.” “I can’t get Adam to use words instead of fists.”

Students and teacher wrote for ten minutes. Then the students were instructed to fold the papers in half and bring them to the front of the room. There they placed their “I Can’t” lists in an empty shoe box. After adding her own list, the teacher put the lid on the box, tucked it under her arm, and, with her fourth-graders in tow, marched out the door, down the hall, and out to the playground.

In the farthest corner of the playground, each student took a turn digging the hole. There they would bury their “I Can’ts.” When they finished, the box was placed in the center of the freshly dug “grave.” Then the teacher announced, “Boys and girls, please join hands and bow your heads,” and the students not to fall into a defeatist attitude or approach to life, but rather, to help them grow in their self-belief and determination not to fail. I share this story with you, at the beginning of this New Year, so that its message can be a source of encouragement as we together face the unknown of these next 365 days.

After adding her own list, the teacher put the lid on the box, tucked it under her arm, and, with her fourth-graders in tow, marched out the door, down the hall, and out to the playground.

In the farthest corner of the playground, each student took a turn digging the hole. There they would bury their “I Can’ts.” When they finished, the box was placed in the center of the freshly dug “grave.” Then the teacher announced, “Boys and girls, please join hands and bow your heads,” and the teacher then delivered the “eulogy”:

“Friends, we are gathered here today to honor the memory of ‘I Can’t.’ While he was with us here on earth, he touched the lives of everyone; some more than others. We have provided ‘I Can’t’ with a final resting place and a headstone that contains his epitaph. He is survived by his brothers and sisters, ‘I Can,’ ‘I Will,’ and ‘I’m Going to Right Away.’

As part of the celebration, the teacher cut a large tombstone out of paper and wrote the words “I Can’t” at the top with R.I.P. in the middle and the date at the bottom. The paper tombstone hung in the classroom for the rest of the school year.

On those rare occasions when a student forgot and said, “I Can’t,” the teacher simply pointed to the tombstone. The student then remembered that “I Can’t” was dead and tried again.

While this story speaks of a fourth grade teacher and her class, I think it’s safe to say that this story can also speak to each of us as our hearts and spirits yearn to do what is right and good, but, for any number of reasons, we hesitate, we shrug our shoulders and walk away. We say, “I can’t do that.” “I can’t be like Mother Teresa.” “I can’t really forgive that person.” “I can’t get more involved in my faith.” “I can’t do what people expect of me.” “I can’t be a saint – I’m just a mom.” . . . a kid.” . . . a sales clerk.” . . . a mechanic.”

As we have said many times before, the attitude that we bring into a particular situation will determine its success or failure. That wise fourth grade teacher helped her own students realize that they possess many gifts and abilities – much more “can” than “can’t.” Her encouragement will help them lead happy, productive, and meaningful lives.

Of all the words that Jesus spoke in the Gospels, I have always found some of the most comforting to be found in Matthew 11: 28-30. In this passage, Jesus says to the crowds: “Come to ME, all you who labor and are burdened and I will give you rest. Take my yoke upon your shoulders and learn from me, for I am meek (gentle) and humble of heart; and you will find rest for yourselves. For my yoke is easy and my burden light.”

As we face our difficulties in life, Jesus’ words – “learn from me” – are very important for us. What can we learn from Jesus? As we begin this New Year, some of the many things that we can learn from Jesus and incorporate more into our lives are: patience, even in the midst of suffering; deeper trust in God’s love for us, even when that love seems distant; willingness to restore broken relationships, especially through the gift of forgiveness; sacrificial love that puts the needs of others above our own; an obedience to God that may even push us beyond our comfort zone in life.

Because of his human nature, there were probably many times in life that Jesus was tired, frustrated, and afraid. He may have even had moments when he felt like saying “I can’t.” Yet his divine nature and his close relationship with his Father, gave him the strength to keep trying and to say “I can,” especially to the Father’s will that he should die for our sins. Yes, he is our example, but above all, Jesus is like that fourth grade teacher, always encouraging us to trust in him and in ourselves. This trust will allow us to set goals and, with perseverance and determination, meet those goals.

In this passage from Matthew’s Gospel, Jesus also invites us to take his “yoke” upon our shoulders. You know that a yoke is that device placed upon the shoulders of oxen to plow a field. This image reminds us that the yoke placed upon our
Mother’s & Father’s Day Tribute/Memorial Program

Once again this year, the LPSCU is offering a Tribute/Memorial Program to run in the May/June issue of Zornicka. We are pleased to report that this is the ninth year that the LPSCU has sponsored this special tribute. The program will give our members an opportunity to honor their living parents or remember their deceased ones by placing a Mother’s and/or Father’s Day message in our May/June issue.

Because space is limited, Tributes/Memorials cannot be more than 2-3 lines and should not exceed 20 words. There is no charge for placing a message, but a good will donation of $5.00 per greeting will be appreciated. In keeping with the benevolent and fraternal nature of our organization, all proceeds from the Mother’s Day Tributes/Memorials will be donated to the Breast Cancer Research Center and all monies donated from the Father’s Day Tributes/Memorials will go to the American Diabetes Association for diabetes research.

Donations (which are tax deductible) should be made by check payable directly to the respective organization — Breast Cancer Research Center for Mother’s Day messages and American Diabetes Association for Father’s Day messages. Tribute/Memorial requests, along with all donation checks, should be mailed to Fraternal Activities Director Cecilia B. Gaughan, 325 Florida Avenue, Whitehall, PA 18052 (phone 610/433-4610).

Deadline for submitting Mother’s/Father’s Day messages for the May/June Zornicka is March 20, 2010.

A few examples of Mother’s/Father’s Day Tributes/Memorials follow:

In honor of our mothers Mary Jones and Susan Clark
Given by George and Christine Clark

In loving memory of Joseph Smith, Sr.
Given by his children and grandchildren

Happy Mother’s Day to Betty J. Winston
With love from her grandchildren

The LPSCU reserves the right to edit messages.

We hope many of our members will participate in this worthwhile fraternal activity, which allows them to honor their mothers and fathers and donate to a very worthy cause. This is a wonderful way to show our love and appreciation to our parents (and grandparents) and to show the concern and compassion the LPSCU has for our fellowman.

The Rev. Dianiska District held its third meeting of the year on Sunday, September 27, 2009, at Holy Trinity Church Hall, Swoyersville, Pennsylvania. Debbie Adamchak welcomed members on behalf of host Branches 17 and 19.

The meeting was called to order by President Mary Ann Ewasko, who led those present in prayers for the ill members of our District, for Monsignor Francis J. Beeda, and for deceased members Albert Okal, brother of member Mary Okal, and Mary Hawley, mother of District Vice President Hope Napkora and grandmother of member Lori Napkora. The Pledge of Allegiance followed.

President Ewasko also welcomed back Financial Secretary Marge Zinkavich to the meeting after an illness and she introduced the guest speaker, Paige Johnson from AARP.

Financial Secretary Zinkavich read the roll call. Barbara Kalish and Debbie Adamchak gave the secretary’s and treasurer’s reports, respectively; both reports were approved. Barbara Kalish also read correspondence. She received a thank you card and gift of hearts and hands from the residents of The Laurels Skilled Nursing and Rehabilitation Center for our participation in “Join Hands Day.” (See related article on page 4.)

Additional correspondence was read by President Ewasko: member Helen Stepanik sent a note to the members on how much she missed all the ladies and attending the meetings since she left the area. She also remembered the District with a monetary donation. Thank you, Helen. We miss you, too!

President Ewasko discussed the following items:

She thanked everyone for participating in “Make a Difference Day” as she pointed out the table full of socks, hats, toiletries, and various gifts to be donated to local charities.

On July 14, 2009, the District held its annual Youth Bowling Party. Co-chairs were Hope and Lori Ann Napkora. Twenty-eight young members, four guests, and 23 adults attended. Everyone had a great time.

Flyers were placed on the tables detailing the District’s annual Christmas Party to be held on Sunday, December 6, 2009, at 1:00 p.m. at the Wyoming Hose Company, 3rd Street, Wyoming, Pennsylvania, hosted by Branches 37, 52, and 94. Members who were not at the meeting must contact their Branch Secretary with reservations by November 23, 2009. Branch Secretaries were asked to contact Margaret Jollimore with the total count by November 25.

National President Theresa Kluchinski spoke about the LPSCU’s products and benefits and told the Branch Secretaries to contact her if they have any questions regarding these items. She also told the group to watch the Zornicka for many upcoming new and exciting benefits.

Our guest, Paige Johnson, a consumer advocate from AARP, spoke on the topic “It’s Your Money” and instructed those present how to watch for scams and overcharges, and how to be sensible with money in these trying times. All the ladies were given a gift of a magnifying ruler and pamphlets on the items about which Paige spoke. Her lecture was very interesting and enjoyable. When the ladies discovered Paige speaks on other important topics as well, they expressed a desire to have her back to address the group in the future.

On August 23, 2009, the Lehigh Valley Okres held a picnic for its Junior members at Louise Moore Park, Pavilion #2, Country Club Road in Bethlehem Township, Pennsylvania, from 12:00-4:00 p.m. Picnic-type fare was served at noon with John Ferri, Tom Gaughan, and Jeff Kosalko acting as chefs. Twelve young members and 24 adults attended.

At 1:30, Ceil Gaughan, who chaired the activities, and Elizabeth Ackerman, Branch 130 member, supervised various games for the children. They awarded many prizes to all the youngsters present.

Following the children’s games, everyone played bingo. Winners of the bingo games had a choice of prizes from the assortment donated by Okres members.

At the conclusion of the games, some members opted to walk around the beautiful grounds of the park while others stayed to socialize and enjoy the pleasant atmosphere and weather until the picnic concluded.

Taylor Baggest attempts to clear the bar in the limbo contest while her brother, Ryan, crawls underneath.

A lively game of “hot potato” was enjoyed by the youngsters present.
PITTSBURGH DISTRICT

Pittsburgh District members and guests attended the annual card party at the Comfort Inn, Penn Hills, Pennsylvania, on October 18, 2009. An enjoyable luncheon was served, a Chinese auction was held, and door prizes (which were contributed by members) went home with lucky winners.

HALUSKY WITH CABBAGE

Cabbage

1 head of cabbage 2 tsps. salt
3 Tbsps. butter
Cut the cabbage fine. Sprinkle salt through the cabbage and let stand for 10 minutes.
Melt the butter. Then squeeze out the cabbage and add the cabbage to the butter and cook until tender.

Halusky

3 large potatoes, grated 1 egg, beaten
1½ tsps. salt 2½ cups flour
Add beaten egg to the potatoes and mix well. Add flour and salt to the potato mixture and mix thoroughly; if dough appears stiff, add a little lukewarm water. Drop little bits of dough, not spoonfuls, but little bits at a time into salted boiling water and cook the halusky until they rise to the top of the pan. Remove the pan from the stove and rinse the halusky in lukewarm water. Drain the halusky in a colander and place the halusky into a bowl. Put the cooked cabbage over the halusky, stir lightly and serve. Halusky is a favorite lenten meal.

An LPSCU insurance policy makes the perfect gift!
The LPSCU Board of Directors announces that the $1.00 first year annual premium on the Juvenile Estate Term (Term-to-25) plan of insurance has been extended for the year 2010. This offer is limited to certificates with an issue date in the year 2010. After the first year, premiums will be billed at the rate of $16.00 for $10,000 of term life insurance and $9.50 for $5,000 of term life insurance.

The LPSCU’s Juvenile Estate Term (JET) Plan, commonly referred to as Term-to-25, is an ideal insurance solution for students and is available to anyone less than 22 years of age. The plan provides full life insurance protection from date of issue to age 25.

A medical exam is not required to apply; however, the LPSCU reserves the right to require a medical exam on any applicant should it be deemed necessary.

Once the JET insurance certificate is issued, coverage remains in full force and effect through the maturity date of the certificate, provided premium payments are current. This plan matures when the insured’s certificate reaches the anniversary of issue date closest to his/her 25th birthday. When the certificate expires, the insured will be given an option to convert his/her current coverage amount to a legal reserve plan (permanent insurance) with no evidence of insurability being required. This is a guaranteed provision within the JET contract.

In the event of the death of the insured prior to reaching 25 years of age, the face amount of the policy is paid to the named beneficiary.

The new legal reserve certificate may provide a death benefit equal to or less than the face amount of the expired JET policy. The policy date of issue will be the expiry date of the JET policy. The policy premium on the new certificate will be based on the member’s age on the date of exchange and on the Society’s premium rates then in effect. The first premium on the new certificate must be paid prior to the expiry date of the JET policy. Written request for exchange will be required.

JET Term-to-25 is an excellent, affordable plan providing protection for your children from infancy on through their school years, including college. Now the JET Term-to-25 is even more affordable with the first year’s premium costing just $1.00. This offer is good for certificates with an issue date in the year 2010.

Call your Branch Secretary today for an application for this economical term insurance plan for the young, or contact the LPSCU Home Office at 888/834-6614 or 570-823-3513. You can also e-mail the Home Office at lpscu@lpscu.org.

The LPSCU Board of Directors announces that the $1.00 first year annual premium on the Juvenile Estate Term (Term-to-25) plan of insurance has been extended for the year 2010. This offer is limited to certificates with an issue date in the year 2010. After the first year, premiums will be billed at the rate of $16.00 for $10,000 of term life insurance and $9.50 for $5,000 of term life insurance.

The LPSCU’s Juvenile Estate Term (JET) Plan, commonly referred to as Term-to-25, is an ideal insurance solution for students and is available to anyone less than 22 years of age. The plan provides full life insurance protection from date of issue to age 25.

A medical exam is not required to apply; however, the LPSCU reserves the right to require a medical exam on any applicant should it be deemed necessary.

Once the JET insurance certificate is issued, coverage remains in full force and effect through the maturity date of the certificate, provided premium payments are current. This plan matures when the insured’s certificate reaches the anniversary of issue date closest to his/her 25th birthday. When the certificate expires, the insured will be given an option to convert his/her current coverage amount to a legal reserve plan (permanent insurance) with no evidence of insurability being required. This is a guaranteed provision within the JET contract.

In the event of the death of the insured prior to reaching 25 years of age, the face amount of the policy is paid to the named beneficiary.

Census 2010: It’s in Our Hands

An Introduction to the 2010 Census: Easy, Safe, Important.

The foundation of our American democracy is dependent on fair and equitable representation in Congress. To achieve an accurate assessment of the number and location of the people living within the nation’s borders, the U.S. Constitution mandates a census of the population every 10 years.

The census population totals determine which states gain or lose representation in Congress. It also determines the amount of state and federal funding communities receive over the course of the decade. 2010 Census data will directly affect how more than $3 trillion is allocated to local, state and tribal governments over the next 10 years. For this funding allocation to be accomplished fairly and accurately, the goal of the decennial census is to count everybody, count them only once, and count them in the right place. The facts gathered in the census also help shape decisions for the rest of the decade about public health, neighborhood improvements, transportation, education, senior services and much more.

Reaching an Increasingly Diverse Population

The goal of the 2010 Census is to count all residents living in the United States on April 1, 2010. The U.S. Census Bureau does not ask about the legal status of respondents in any of its surveys and census programs. To help ensure the nation’s increasingly diverse population can answer the questionnaire accurately and completely, about 13 million bilingual Spanish/English forms will be mailed to housing units in neighborhoods identified as requiring high levels of Spanish assistance. Additionally, questionnaires in Spanish, Chinese (simplified), Korean, Vietnamese and Russian — as well as language guides in 59 languages — will be available on request.

Recruiting Census Workers

By 2010, there will be an estimated 310 million people residing in the United States. Counting each person is one of the largest operations the federal government undertakes. For example, the Census Bureau will recruit nearly 3.8 million applicants for 2010 Census field operations. Of these applicants, the Census Bureau will hire about 1.4 million temporary employees. Some of these employees will be using GPS-equipped hand-held computers to update maps and ensure there is an accurate address list for the mailing of the census questionnaires.

10 Questions, 10 Minutes to Complete

With one of the shortest questionnaires in history, the 2010 Census asks for name, gender, age, race, ethnicity, relationship, and whether you own or rent your home. It takes only about 10 minutes for the average household to complete. Questions about how we live as a nation — our diversity, education, housing, jobs and more — now covered in the American Community Survey which is conducted every year throughout the decade and replaces the Census 2000 long-form questionnaire.

Responses to the 2010 Census questionnaire are required by law. All responses are used for statistical purposes only and all are strictly confidential. Information can be found at the 2010 Census web site: www.2010.census.gov.

**LPSCU 20-Year Endowment Life Insurance Plan**

A unique way to generate sizable funds for the purpose of future college education costs for young family members is through a 20 Year Endowment Life Insurance Plan. The payment of a monthly, quarterly, semiannual, or annual endowment life insurance premium for a period of 20 years will help defray higher education tuition and costs. Planning for college education tuition and costs should be implemented as soon as a child is born in order that the necessary resources will be available for the child to pursue a college degree. An endowment life insurance certificate can serve many other purposes as well, such as assisting with wedding expenses or towards the purchase of a home, furniture, car, or vacation.

After 20 years of premium payments, the insured will have the choice of any one of the following three options: (1) Immediate payment of the face value; (2) Immediate payment of a portion of the face value and a paid-up certificate for the face amount of the existing certificate (Option A); or (3) Paid-up certificate for a larger face value (Option B). In the event of death prior to 20 years, the face amount of the endowment certificate is payable to the named beneficiary.

The 20 Year Endowment Life Insurance Plan is offered from age 0 to 70 and premium payments can be made on a monthly, quarterly, semiannual, or annual basis. This plan offers the added fraternal benefits of educational awards, youth and adult activities, newborn benefits, prescription discount plan, official publication, and discount car rental.

Consider the LPSCU 20 Year Endowment Life Insurance Plan to build up savings for the future, while at the same time protecting the insured with life insurance. To apply for this specific plan, or any other insurance plan offered by the LPSCU, contact your Branch Secretary or the LPSCU Home Office.

Listed below are the Annual and Monthly Premium Schedules for the 20 Year Endowment Life Insurance Plan. The premiums listed are based on $1,000 of life insurance coverage. Semiannual and quarterly premium rates are also available by contacting your Branch Secretary or the Home Office.

12 ZORNICKA
In conjunction with the LPSCU Semi-annual Meeting, the Board of Directors attended Mass at Incarnation of Our Lord Church in Bethlehem, Pennsylvania, on Sunday, September 13, 2009. The 10:30 a.m. Mass was celebrated by Msgr. William Baker, pastor of the church. Our Spiritual Advisor, Rev. Philip A. Altavilla, V.E., was unable to attend due to another commitment.

Prior to the Liturgy, Msgr. Baker warmly welcomed the Board members and wished them a successful meeting. Serving as Lector at the Mass was Terry Nishnic, Branch 83 member. Offertory gifts were presented by Theresa A. Kluchinski and Mary Jo Savidge, president and secretary, respectively, of the LPSCU.

Following the Mass, a luncheon was held in the Lehigh Room of the Best Western Lehigh Valley Hotel and Conference Center in Bethlehem. Attending as guests were 98 LPSCU members from the Lehigh Valley area. A punch reception preceded the meal.

On behalf of the Lehigh Valley Okres, greetings were extended by Jean Kosalko and Mary Shannon, after which they presented each Board member with a gift. President Kluchinski extended a warm welcome to all and introduced the Board members and Honorary Vice President Mary Ann Ackerman. Msgr. Baker then offered an inspirational invocation after which a delicious luncheon was served.

After the meal, President Kluchinski explained the various fraternal and educational benefits offered by the LPSCU. She then presented special awards to two Lehigh Valley members.

The first award was presented to Anthony Bucha of Branch 38, Whitehall, Pennsylvania, who was honored with the LPSCU’s 2009 Youth Achievement Award. Anthony received a beautiful plaque and a $2,000 LPSCU life insurance certificate. The second award was presented to John Ferri of Branch 83, Bethlehem, who was honored as the LPSCU’s 2009 Fraternalist of the Year. John received a beautiful plaque and a check for $100 payable to Bethlehem Special Olympics, the charity he chose. President Kluchinski was also proud to announce that John had been selected as the 2009 Fraternalist of the Year by the Pennsylvania Fraternal Congress. President Kluchinski then presented a monetary gift for Incarnation of Our Lord Church to Msgr. Baker.

The luncheon concluded with a Benediction offered by Msgr. Baker. Board members then enjoyed socializing with guest members.

**SCF Hosts Midwest Slovak Pastoral Seminar**

Seventy-four people attended the most recent Midwest Slovak Pastoral Seminar in Chicago, Illinois. The seminar, under the auspices of the Slovak Catholic Federation, took place on Sunday, September 27, 2009, at the Motherhouse of the Sisters of Saint Casimir, originally a Lithuanian congregation, on Chicago’s south side.

The featured speaker was Father Marek Sitar, a young priest from the Archdiocese of Trnava in Slovakia. Father Sitar was ordained in 2003 and is now serving as the associate pastor of St. Germaine’s territorial parish in Oak Lawn, Illinois, a southwest suburb of Chicago. Each Sunday afternoon, after completing his duties at St. Germaine’s, Father Sitar says a Mass in Slovak for the large Slovak immigrant community in the Chicago area.

Father Sitar spoke in English about the mission of Saints Cyril and Methodius to the ancient Slovaks, and the results of their missionary activities through the present day. A question and answer session followed. Attendees then enjoyed a catered buffet luncheon.

“We Made a Difference!”

Mary Ann Kaylor and Elva Silay of LPSCU Branch 64, Pittsburgh, Pennsylvania, recently visited the Benedictine Center in Pittsburgh. The ladies report that they had lunch with the Seniors, who were very happy to see Slovak girls there. Several of the Seniors spoke with Mary Ann and Elva (and even admitted to being Slovak!). The visit was very enjoyable.

During their visit, the ladies also made a contribution to the Sisters for their retirement fund. Sister Benita, OSB, prior-ess, and Sister Evelyn, OSB, couldn’t thank them enough for stopping by.

Mary Ann and Elva also made a stop at Mt. Assisi (Sisters of St. Francis) where they visited Marian Hall to see a few of the elderly clients. These residents were delighted to see visitors as some never have company. Mary Ann and Elva also visited with old friends and said they can’t believe how people change and forget. The ladies made a contribution to the St. Francis Sisters’ Retirement Fund as well. They were accompa-nied on their visit by Sister Francesca, OSF, who was principal of St. Gabriel School when their children attended many years ago.

Sister Evelyn, OSB (right), of the Benedictine Center in Pittsburgh, accepts a donation for the Sisters’ Retirement Fund from Branch 64 members Mary Ann Kaylor (second from left) and Elva Silay (third from left) as Sister Benita, OSF (left) looks on.

Sister Francesca, OSF (center), accepts a check for the St. Francis Sisters’ Retirement Fund from Mary Ann Kaylor (left) and Elva Silay (right), members of Branch 64.

Ladies Pennsylvania Slovak Catholic Union Educational Benefit Committee
P.O. Box 32, Wilkes-Barre, PA 18703
At the 98th Annual Meeting of the Pennsylvania Fraternal Congress held on October 25-27, 2009, at the Nemacolin Woodlands Resort in Farmington, Pennsylvania, John Ferri of LPSCU Branch 83, Bethlehem, Pennsylvania, was honored as the 2009 PFC Fraternalist of the Year. The committee that chose the PFC’s Fraternalist of the Year was comprised of Charlotte L. Androckitis, FIC, of the Polish Union of United States of North America; Joseph C. Evanish, FLMI, of the Slovene National Benefit Society; and E.E. (Al) Vargo, FIC, of the William Penn Association.

During the luncheon program on Monday, October 26, Ms. Androckitis, who chaired the selection committee, read a history of the volunteer accomplishments of this year’s awardee. As John’s name was announced, he was greeted with a standing ovation by the delegation. John was presented with a plaque, a beautiful PFC medallion engraved on the back Fraternalist of the Year – John Ferri – 2009, and a monetary award.

Since John was also named fourth runner-up Fraternalist of the Year by the National Fraternal Congress of America at its Annual Meeting held this past September in San Antonio, Texas, NFCA President and CEO Joseph J. Annotti also presented John with an honorary plaque from the organization. In his remarks, Mr. Annotti said, “John Ferri is a shining example of what it means to be a fraternalist. We are pleased to honor John for selflessly giving his time to serve his community in so many ways.”

John acknowledged he was proud and honored to be named the 2009 Fraternalist of the Year by the Pennsylvania Fraternal Congress and fourth runner-up Fraternalist of the Year by the National Fraternal Congress. He thanked his local, state, and national fraternal organizations for the prestigious awards bestowed upon him.

John’s Fraternalist of the Year awards began with being named the LPSCU’s 2009 Fraternalist of the Year. He will now treasure all three awards forever.

The Basilica of Saints Cyril and Methodius in Danville was filled on Sunday afternoon, October 4, 2009, with people of all ages and backgrounds, for a Sacred Concert celebrating the Centennial of the Sisters of Saints Cyril and Methodius. Both the performance and the attendance were beyond all expectations. Although no one has control over the weather, that too was a warm and pleasant autumn treat which contributed to the enjoyment of the afternoon.

Through the generosity of many talented men and women, a Sacred Concert was provided and greatly appreciated by all in attendance. The Danville Community Singers, directed by John Collins; The Harrisburg Harp Orchestra, led by Louis Lynch; and the Susquehanna University Choir, conducted by Rodney H. Caldwell, provided 90 minutes of sacred music.

Their selections inspired awe and trust, devotion and praise, gratitude and petition. Many attendees described the afternoon as “heavenly,” “angelic,” “strengthening,” and “hope-inspiring.” The melodies and the words evoked prayer and peace.

The hymns reverberated in the hearts of the attendees as they left with expressions of joy and peace. Refreshments and fellowship afterward extended the spirit of the afternoon. For days after the Sacred “Heavenly” Concert, attendees and participants alike continued to express their gratitude.

The gifts of time and talent donated by the musicians are commendable. The generosity of the concert sponsors and all who contributed to the free will offering for the benefit of the Sisters and their ministries is greatly appreciated.

Those who missed the program and/or those who might wish to savor it again may procure a DVD or CD by calling 717/919-4247.
Dear Junior Members,

What is it that you eat every day? The answer is BREAD. Can you imagine eating all your meals without it? That would mean no toast, no sandwiches, and no biscuits. And what’s a hotdog or hamburger without a roll?

Bread has a long history; it has been part of man’s diet in some form for over 6,000 years. We don’t really know who made the first loaf of bread but we know it was first made way back in the Stone Age when primitive man discovered that the seeds of the wild grasses could be eaten. They learned how to replant the seeds so they’d have a continuous supply and soon discovered a way to crack the seeds and grind them up between stones. They mixed these ground seeds with water and shaped them into small cakes which they baked on flat stones in the sun. This procedure took almost all day but it provided primitive man with a constant supply of bread when game was scarce.

The process of leavening — or dough rising — was not discovered until many centuries later and only then by accident. A slave in ancient Egypt left some dough outside in the warm air and sunshine. Several days later he discovered the puffed up piece of fermented dough. He could not throw it away under his master’s watchful eye, so he added it to a new batch of dough. Since the older piece of dough contained natural yeast organisms from the air, it caused the new batch to rise also. When the bread dough was baked, they found it to be much lighter and tastier than they ever had eaten before.

Yeast is a living organism and when it is combined with flour and water, it feeds on natural sugar in the flour and this makes it grow. Bubbles of carbon dioxide gas are formed through a chemical reaction. These bubbles leaven the dough, causing it to rise and become light; yeast is the leavening agent. Baking kills the yeast and this stops the rising process. The gas escapes during this baking process and tiny holes in the dough made by the gas remain.

News of the slave’s discovery spread quickly to other countries as people traveled. Ships visiting the Egyptian shore learned about leavened bread and it quickly spread to the Phoenicians. They, in turn, passed the news to the Greeks and the Romans. The Romans then introduced this process to the rest of Europe.

By the year 100 B.C., there were over 258 bakeshops in Rome. The emperor formed the bakers guild, or union. The bakers and the millers who ground the grain were the richest men in town. That is because at the time of this discovery how rich you were was determined by the type of bread you ate. Only the rich ate the white bread where all the bran and outer husks of the seed kernels were removed; the poor ate only dark, whole-grain breads.

People of different countries have developed their own favorite breads. The French enjoy the long, crusty loaves. People from Eastern European countries like Iran and Syria bake their bread in round, flat loaves which they split and fill with meat and vegetables. In America, we have a vast variety to choose from including whole wheat, rye, pumpernickel, and the high light white loaves.

In World War II, a new type of white bread was introduced. This bread contained no vitamins and minerals but the U.S. Government, as a public health measure, required that the missing vitamins and minerals be replaced. This was the beginning of what was called enriched white bread.

As you know, bread is called the “Staff of Life.” It has been around in some form for over 6,000 years and is an important part of man’s diet.

PINECONE GARDEN & MORE

You can make this easy and fun Pinecone Garden. First, find a nice large pinecone. Cut off the bottom of the cone and smooth it with sandpaper so it will stand upright. Sprinkle grass seeds into the layers of the cone or use the seeds of small flowers and ones that will trail.

Stand the cone upright in a saucer of water in a bright, warm spot. As the cone soaks up the water, it will close, enfolding the seeds. (The layers of a dry pinecone are open, but they close if the cone is damp.) Be sure to keep a fresh supply of water in the saucer so that your cone will stay closed.

Your garden will soon begin sprouting little green shoots of grass and flower plants. Soon, the entire cone will be covered with pretty greenery!

Here’s another use for a pinecone — It makes a wonderful bird feeder. Find a dry cone with open layers. Spread the layers with suet or congealed solid fat or with peanut butter. Hang your cone in a tree as a natural-looking wintertime feast for the birds.

Some Thoughts for 2010

Take time to laugh,
   It is music to the soul.
Take time to think,
   It is the source of power.
Take time to play,
   It is the source of perpetual youth.
Take time to read,
   It is the fountain of wisdom.
Take time to love and be loved,
   It is a God-given privilege.
Take time to be friendly,
   It is the road to happiness.
Take time to give,
   It is too short a day to be selfish.
Take time to work,
   It is the price of success.
Perhaps we might add a line:
Take time for God,
   It is the way to health of body, mind and soul.

Oral Health Wellness

For years, researchers have been studying the connection between oral health and cardiac health. They already know that bacteria from the mouth can get into the bloodstream during dental procedures.

If you have bleeding gums that means that bacteria is circulating in your mouth and it is causing tiny ulcers that will bleed when you brush your teeth. This can happen if you are careless with your oral hygiene. If your gums are swollen and do bleed, this may signal the beginning of gingivitis. You can get gingivitis when plaque builds up on your teeth. Plaque is a soft, sticky, almost clear film. If it is not removed it can lead to gingivitis and tooth decay. See your dentist regularly to have this plaque removed. Your dentist will also show you how to brush your teeth properly to minimize plaque build-up.
shoulders at baptism is the life of discipleship. Bearing this life, this yoke, means that we must deny ourselves, take up our cross and daily follow in the footsteps of Jesus. Over the years, I have seen many actual yokes that were used by farmers. In each case, the yoke had two rings, meaning that it was meant to be worn by two oxen. Two oxen working together made the work go quicker and easier. They bore the burden together. Jesus reminds us that, if we allow him, he will walk next to us in life, helping us pull our plow and carry our burdens. With him at our side, and with us learning from his example, the work of life will go easier. Jesus does not promise to take away pain and sorrow and loss; rather, he assures us that he will help us move through those difficult moments. This is where our faith and a positive attitude about life are so very important and necessary!

My dear friends, as we journey through the early days of this New Year, perhaps we can write down some examples of “I Can’t” and then let’s bury them! With a renewed sense of our goodness and of God’s deep love for us, may “I Can” be the two small words which help open us up to new possibilities of growth and happiness. May we daily renew our desire to take on the yoke of hope in midst of despair and the burden of compassion under the weight of fear and hurt. May we come to realize, in a deeper way, that the yoke of Gospel is easy in the joy it brings to a positive, generous heart. May our hearts be made light by the love of God that we are able to bring into our own lives and the lives of others we are able to touch. May God bless you during this New Year and always! May this be a New Year of “I Can!”
